Short takes are information crammed into a small space/time frame. For example, in film, the “movie” may be only three minutes long and still pack a powerful punch. The subject can be anything.

In publications such as newsletters, ebooks and magazines, up to one page is a short take. As you will see in these pages, a topic is presented in short take format. This gives you enough information to kick start the thinking part of your brain.

It is up to you to take it from there, if you so desire.

That in a nutshell is a short take.

Enjoy ours...

Although the 10 quotes in this Short Take are attributed to Abraham Lincoln, only 6 are provably his. Regardless, they can be called great advice. Enjoy!
